Acura NSX Water Pump - Guaranteed Genuine Acura Parts

Acura water pump is the heart of a car's cooling system as it transports water cooled by the radiator to the engine block. After the cooled water goes through the engine block, it is sent back through the pump to the radiator, creating a constant, ever-flowing supply of needed cool water.

Acura Water Pump - Guaranteed Genuine

An Acura NSX owner opted to fill their cooling system with the cheap stuff instead of Honda coolant and this is the horrifying results. Any car enthusiast worth their weight in salt will know that it doesn't matter how expensive your car is, using the right replacement fluids is essential to the proper maintenance and longevity of your vehicle. For the Acura NSX, only Genuine Honda ...
