Since it's a search engine. browsing for books is almost impossible. The closest thing you can do is use the Authors dropdown in the navigation bar to browse by authors—and even then, you'll have to get used to the terrible user interface of the site overall.

Ccrp Exam Study Guides Tips

Much of my study has involved a great deal of non-fiction and historically accurate fictionalized stories regarding the young women who took up the profession of nursing and their detailed experiences, whether they became nurses or took on additional training afterwards to become Certified nurse-midwives. This has also involved viewing videos and documentary style plus fictionalized movies ...
