called enumerated powers; others have been assumed to exist and are called implied powers .

## **Powers of the United States Congress - Wikipedia**

Congress has the power to amend the Constitution, though this is a long and arduous process. Both chambers must approve the proposed constitutional amendment by a two-thirds majority, after which the measure is sent to the states. The amendment must then be approved by three-quarters of the state legislatures.

proper clause, or the elastic clause, which gives Congress extra powers.

### **Congress: The Powers of Congress | SparkNotes**

Implied powers are powers that are necessary for the execution of powers expressly enumerated in the U.S. Constitution. These implied powers are assumed and are extended from the expressed powers. They gain their legality from various clauses of the U.S. Constitution, such as the Necessary and Proper Clause, which imply their merit.

The Constitution specifically grants Congress its most important powers, which is the authority to make laws. A bill, or proposed law, only becomes a law after both the House of Representatives and Senate approve it. The two houses share other powers, many of which are listed in Article I, section 8 of the U.S. Constitution.

SEPARATION OF POWERS AND CHECKS AND BALANCES. The Constitution nowhere contains an express injunction to preserve the boundaries of the three broad powers it grants, nor does it expressly enjoin maintenance of a system of checks and balances. Yet, it does grant to three separate branches the powers to legislate, to execute, and to adjudicate, and it provides throughout the document the means by which each of the branches could resist the blandishments and incursions of the others.

Article I, Section 8, Clause 11 of the U.S. Constitution grants Congress the power to declare war. The President, meanwhile, derives the power to direct the military after a Congressional declaration of war from Article II, Section 2, which names the President Commander-in-Chief of the armed forces. These provisions require cooperation between the President and Congress regarding military affairs, with Congress funding or declaring the operation and the President directing it.
