HCG Injection Instructions - Fill Syringe to .17ml (17 mark)

The story is the same—only the methods and madness vary. You try ramping up your workout to an hour a day instead of just forty-five minutes with minimal results. Then you attempt to break a plateau by increasing calorie intake for a short while, then suddenly cutting back. Again, those stubborn pounds linger. Eliminating carb, sugar, dairy, fat or another type of food does not help either ...
