Wear the headband across your forehead for a boho look. If you have a headband that's a completely connected circle, you can place it around the front and back of your head. This placement isn't always great for securing your hair in place, but it can add a bohemian flair to nearly any outfit.

How to Wear a Headband with Short Hair: 11 Steps (with ...

Decide whether you want a part or not. After you've removed any tangles from your hair, you can choose to add a part or not before you put the headband on. If you don't want a part, just comb your back and away from your face. If you want a part, choose a side and carefully comb your hair over to that side.

3 Ways to Wear a Headband - wikiHow

There's a reason it's considered the standard text for endbands. Clearly written and well organized, it's not a book for someone without a little bookbinding background. If you've got a grasp of the basics though, working a headband from scratch is a great way to set your work apart or add a personal touch to a pre-made text block.
