November Headline: PHP about to lose its top 10 position. Since the start of the TIOBE index, more than 20 years ago, PHP has been a permanent top 10 player. Recently, we saw PHP struggling to stay in that top 10. PHP was once the master of web programming, but now it is facing a lot of competition in this field. This is not to say that PHP is dead. There are still a lot of small and medium ...

1. A successful thesis statement makes an historical argument. It does not announce the topic of your paper or simply restate the paper prompt. Weak Thesis: The Revolution had little effect on women because they remained ensconced in the home. While this thesis does take a position, it is problematic because it simply restates the prompt.
